HOME ENTERPRISE A SUCCESS

This week a car containing 40 thousand pounds of granite was received by Henry & Henry the Monument men of this place. In this shipment was a large monument, which is now being erected on the lot of Mrs. R. W. Wilson in the new cemetery, and marks the resting place of one of Marion's most highly respected citizens. In this car were also two handsome monuments for the father and mother of Mrs. Fin Croft of Tolu, Ky. and another fine monument sold to Dr. T. W. Twitchell, of Belleville, Ill.

The Henry Bros., shop and equipment for handling heavy monuments is not surpassed by any of their competitors, and it has come to be noticeable to all that are interested in this line of business that these gentlemen are among the leaders of all the firms doing this kind of work in Western Kentucky.

If you love your neighbor as yourself you will love to go to church. If you do not, you need to go to church.

GOOD SEED WHEAT PAYS

Mr. R. B. Clement a prominent farmer of Crayne, raised the banner crop of wheat of the county from a new seed wheat he chanced to get from the North, last fall. His crop from this seed averaged forty bushel to the acre and he is selling it now readily for seed at \$1.50 per bushel. And it goes like hot cakes, in fact will soon be gone. All wishing this fine wheat had better see him at once as we believe every farmer should sow the wheat that will bring him the greatest number of bushels per acre. This wheat is called "Prize Taker" and deserves the name.

Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten-fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists. Price, 75 cents per bottle.

Take Hall's Family Pills for constipation.

We have been forced to cut out nearly all our advertising this week and give our readers a patent sheet in consequence of a drunken printer. Of course we fired him, and yet when sober he was the best all round man we ever had. Put yourself in our place before you blame us.

All communications came in to late this week. We will print them next week, as many of them are too good to be left over, especially those with names signed.

Lydia E. Pinkham's Vegetable Compound Cured Her

Knoxville, Iowa. — "I suffered with pains low down in my right side for a year or more and was so weak and nervous that I could not do my work. I wrote to Mrs. Pinkham and took Lydia E. Pinkham's Vegetable Compound and Liver Pills, and am glad to say that your medicines and kind letters of directions have done more for me than anything else and I had the best physicians here. I can do my work and rest like the Pinkham remedies."

—Mrs. CLARA FRANKS, R. F. D., No. 3, Knoxville, Iowa.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and suffering women owe it to themselves to at least give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

If you want special advice write Mrs. Pinkham, Lynn, Mass., for it is free and always helpful.

Our beloved friend, W. B. Yates, who rested a week at home after his great work in the greatest revival ever held in the State of Oklahoma, left again yesterday. He is truly the greatest singing Evangelist in the South.

GOOD WAY TO USE

HYOMEI FOR CATARRH

Besides breathing through the inhaler a few times a day, many catarrh sufferers write that they find inhaling Hyomei (pronounce it High-o-me) from a bowl of steaming water each night before retiring a great aid in curing stubborn cases.

Fill a bowl half full of boiling water; pour into the water a teaspoonful of Hyomei, cover head and bowl with a towel, and breathe through nose and mouth the pleasant, medicated, antiseptic and healing vapor that rises.

This method relieves that stiffness at once, and makes your head feel fine. You can get a bottle of Hyomei at druggists everywhere or at Haynes & Taylor's for only 50 cents. Ask for extra bottle Hyomei Inhalant.

But bear in mind that a Hyomei outfit which includes inhaler and bottle of Hyomei costs \$1.00.

Hyomei is guaranteed to cure catarrh, sore throat, coughs, colds, asthma and croup, or money back. Try it on that generous basis.

Watch for our next weeks special sale advertisement.

Sample Helps Frail Women

So many women are dragging out weary lives just because their digestive organs are weak. The result is poor circulation, nervousness and the verge of invalidism. It is often very unnecessary and the woman's own fault.

The first thing to do is to look to the welfare of your bowels. There the trouble usually lies. All physicians know that a large percentage of women are habitually constipated, and from this results indigestion, piles, weariness, etc., that women constantly complain of. But there is no use taking "female remedies" and things of that kind until you have started your bowels moving. You will find that when the bowels move regularly once or twice a day all your petty ills will disappear. Take a good, mild laxative tonic like Dr. Caldwell's Syrup Pepsin for awhile and you will find yourself rapidly getting better and stronger, your bowels will regulate themselves and work at stated times, and then your headaches and dizziness will disappear. Don't take strong cathartics, pills or salts, but just such a mild and pleasant-tasting remedy as Dr. Caldwell's Syrup Pepsin.

You can obtain a bottle of your druggist for fifty cents or one dollar, and either size may be enough to permanently cure you. Thousands of women keep it regularly in the house and will no longer be without it, as it cured them and can be used with safety by every member of the family, down to the youngest child, but if you have never used it take the advice of Mrs. Earl S. Cox, 409 Twenty-fifth street, Moline, Ill., and Mrs. Ellen Dungan, Muncie, Ind., and send to Dr. Caldwell for a free trial bottle, as they did, and learn for yourself what it will do in your own case. That it will cure you, as it did them, there is no doubt.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 590 Caldwell building, Monticello, Ill.
